

PRE-LIT POP-UP TREE ASSEMBLY INSTRUCTION SHEET

Before you start to setup your tree, please read this instruction sheet carefully.

WARNING-Risk of fire, personal injury and electrical shock.

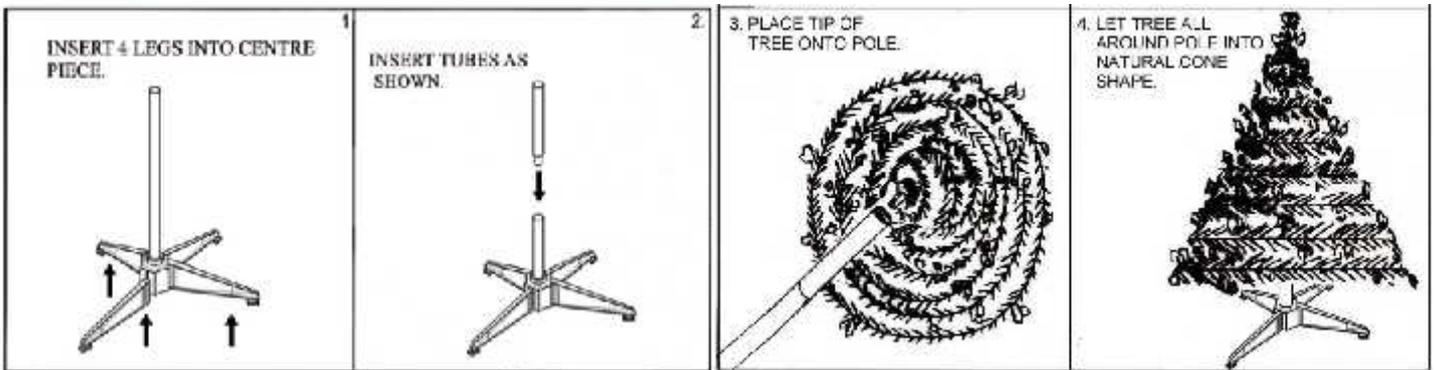

1. Do not leave product unattended while plugged in.
2. For indoor use only.
3. Replace any missing or broken bulbs before plugging in.
4. Do not place near gas or electric heaters, radiators, fireplaces, candles, outdoor heaters, barbecues or other similar sources of heat.
5. Place on a level, hard, flat surface: do not place where tree is likely to wobble due to uneven floors or thick carpeting.
6. After assembling the tree and adding decorations, make sure the tree is stable. If tree is not stable, shift the weight of the decorations, and use support wires to walls and/or window frames (make sure they are secure also).
7. Do not install near fountains, bathtubs, sinks, pools, hot tubs or other wet areas.
8. Do not use candles on this tree.
9. Do not overload extension cords, power strips, or any other power receptacles. Make sure that the electrical rating of the tree and any other device connected to the same receptacle is below the maximum rating of the extension cord, power strip or other power receptacle.
10. This is an electrical product – not a toy! To avoid risk of fire, burns, personal injury and electrical shock it should not be played with or placed where small children and pets can reach it.
