

# COOLER CLUB™

## GOLF CLUB DRINK CADDY

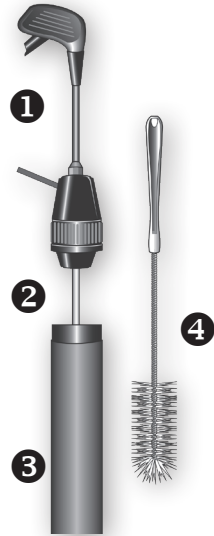

### INSTRUCTIONS AND MAINTAINANCE GUIDE

**Thanks for buying the insulated Cooler Club!** It looks like a 3-wood and fits easily in your golf bag, but holds enough of your favorite hot or cold drink to satisfy a thirsty foursome.

High-tech material and insulation make it easy to clean and a great alternative to cumbersome bottles, cans, and coolers.

#### **Your Cooler Club includes:**

1. Easy-action pump handle with pouring spout.
2. Long, white plastic siphon tube.
3. Insulated beverage reservoir shaft.
4. Long-handled cleaning brush.

#### **Cleaning Instructions:**

1. Before each use, clean all parts with mild soap and warm water.
2. Clean inside of pump by siphoning soapy water through it. Repeat with clean water to rinse thoroughly.
3. Use long handle brush to clean inside of insulated reservoir shaft.
4. Rinse all parts thoroughly.
5. Allow to air dry.

#### **Using your Club Cooler:**

1. Clean thoroughly according to instructions above after use.
2. Fill the insulated reservoir shaft with up to 48 fluid ounces of hot or cold beverage, adding ice if desired. Be sure to leave room at the top for pump mechanism. Note: In order to avoid overflow, it's best to add ice before your beverage.
3. Insert white siphon tube into easy-action pump handle.
4. Open pump and screw easy action-pump handle onto insulated shaft.
5. Use pump handle to begin beverage flow.
6. Clean thoroughly according to instructions above after use.
