

SAFETY INSTRUCTIONS

1. Read the instructions carefully before using this device
2. Do not disassemble this device
3. Press the touch sensor appropriately and charge this device accordingly
4. Do not store this product in a wet environment
5. Keep the mirror dry (moisture reduces the life of this device)
6. Turn off this device before cleaning it. The surface of the mirror should be cleaned with glass cleaner. Make sure the device is completely dry before using it
7. Turn off this device when it is not being used
8. Do not store this device in direct sunlight
9. Keep away from children
10. Only use the adapter that came with this device
11. Do not place this device near fire as it could result in an explosion
12. Stop using this device immediately if you develop an abnormal condition
